PARENTS WILL NOT BE PERMITTED IN THE DRESSING ROOM AREA

During Friday and Saturday shows parents will not be permitted in the dressing room area unless you are working as a volunteer in the dressing rooms. We ask the parents to drop off and pick up their skaters at the south-east emergency exit **ONLY**. There will be plenty of volunteers to take your skater to and from the correct dressing room. The reason we ask this is due to the sheer number of skaters we have in the show and the limited space we have to work with. There are approximately 300 skaters registered for this show. If your skater is only in the first half of the show and will not be participating in the grand finale, you may pick the skater up after the first half at intermission. If your skater is in the second half and does not wish to take part in the grand finale, you may pick them up after Closing Sequence (before Grand Finale). If your skater is taking part in the grand finale we ask that you take your time in picking up your skater so that it gives them time to change and the volunteers time to organize skaters for departure.

- 10 **MOST IMPORTANTLY:** If skaters leave to go and see the show they will need a ticket of their own & will not be permitted to return TO THE DRESSING ROOMS.

THERE ARE NO IN AND OUT PRIVILEGES. NO EXCEPTIONS!

**We appreciate your cooperation over these few very busy but exciting days.
Your cooperation is vital in helping make the show run smoothly for everyone.
Most importantly please remember the following:**

Skater Ice Show Attendance Requirements & Code of Conduct:

Skaters may not miss more than 1 on-ice practice and must attend all RunThroughs and Dress Rehearsal. Skaters are expected to follow the Club's Rules & Regulations (pg 22 of Brochure) and behave appropriately during all practices, run-throughs, dress rehearsal and show nights. Skaters are expected to treat coaches and volunteers with respect and dignity. Designated costumes and accessories are not to be altered in any way. Failure to comply may forfeit the skaters' position in the show.
